Dear Chair Menor and Councilmembers:

SUBJECT: Grants in Aid Advisory Commission Report and Recommendation

The Grant in Aid Fund (Fund) was established by Revised Ordinances of Honolulu, Section 9-205 of the Revised Charter of the City and County of Honolulu 1973 (2017 Edition), as amended (Charter). The Fund is intended to be used for awards of grants in aid for federal income tax exempt non-profit organizations that provide services to economically and/or socially disadvantaged populations or provide services for public benefit in the area of the arts, culture, economic development or the environment.

The Charter further established a Grants in Aid Advisory Commission (Commission) to advise the City and County of Honolulu on grants issued from this Fund. As required by Revised Ordinances of Honolulu 1990, as amended, Chapter 6, Article 52 and Resolution 17-201, the Commission reviewed the grant proposals and respectfully submits a report setting forth its recommendations to the Honolulu City Council (Report). The Report, attached as Exhibit A, includes a listing of the proposals recommended for funding, as well as all scored grant proposals, sorted alphabetically and by score order. A copy of the Executive Summary and copies containing substantive documentation of each grant proposal are attached as Exhibit B.

Dear Chair Menor and Councilmembers:

Pursuant to the Revised Charter of the City and County of Honolulu 1973 (2017 Edition) Section 9-205, Article 52 Grants in Aid Fund, Chapter 6, Revised Ordinances of Honolulu 1990, as amended ("ROH"), and Resolution No. 17-201, the Grants in Aid Advisory Commission (Commission) hereby submits its Report with the attached 2018 Commission Resolution.

The Commission Resolution, signed by the Commissioners, includes lists of grant proposals recommended for funding by the Grants in Aid (GIA) Fund and complete lists of grant proposals scored by the Commission. Appendix 1 lists recommended grants by organization in alphabetical order, Appendix 2 lists recommended grants in score order, Appendix 3 lists recommended grants grouped by City Council district, Appendix 4 lists all scored grant proposals by organization in alphabetical order, and Appendix 5 lists all scored grant proposals in score order, and Appendix 6 shows the Tier I grants recommended for funding.

Also attached is an Executive Summary of all proposals submitted for the FY 2019 GIA fund and a copy of each proposal.

and Members of the Honolulu City Council

In order to accommodate smaller grant proposals from non-profit organizations that previously received small grant from the City, the Department of Community Services introduced and recommended to the Commission to use a tiered grant system for Fiscal Year 2019. Tier I grants (proposals between \$5,000 and \$10,000) is intended for single event/performances while Tier II grants (proposals from \$25,000 to \$125,000) are intended to fund entire programs. The Commission approved the use of up to \$200,000 to fund Tier I grants. However, as only five (5) Tier I applications were received, all five applications were recommended for a total Tier I funding of \$50,000.

Lastly, the Commissioners of the Grants in Aid Advisory Commission would also like to express their appreciation for the support and confidence of the Honolulu City Council.

Sincerely,

A handwritten signature in black ink, appearing to read 'AJH', is written over the printed name.
